

IT'S A PARTY

Come one, come all! Come look and see
This special time for you and me!
A birthday party, one most rare!
We'll show others that we care...

So please! Instead of a gift for me
Bring something for someone else's glee!
Wrap it with love, do your part
Know you're reaching another's heart!

With this hands-on experience
We kids can make a difference,
A noble lesson, yes indeed,
When we help those who are in need...

Caring, giving: that's what kids do.
We'll have a great time and sprinkle kindness too!
